

Sprint 3 Report

Project: Hydro Hero
Team: Hydro Homies
Date: 11/3/19

Actions to stop doing:

The team is satisfied with the way things are going and was able to get tasks done.

Actions to start doing:

The team should still start reviewing and approving Pull requests in a reasonable amount of time in order to maintain a steady work rate.

Actions to keep doing:

The team is working well communicating with each other. When problems arise, the team is notified and team members are able to offer help whenever possible. The team is also continuing to learn and stay on track to maintain the schedule we have set for ourselves.
